### **3. Reasoned statement regarding the Nomination Committee's proposal for election of the Board of Directors**

The Nomination Committee has carried out an evaluation of the work of the Board, the Board members and the composition of the Board, and reviewed the report from the chairman of the Board. Considering the Company's activities, development phase and other circumstances, the Nomination Committee has discussed the versatility, size and composition of the Board in particular with regard to market experience, competence and the requirement to strive towards an equal division of the genders.

Based upon the evaluation of the Board, the Nomination Committee finds that the Board and the work of the Board have functioned well.

In order to strive for equality and diversity within Lindab, the Board has adopted an Equal Opportunities Policy which ensures that nobody in Lindab is discriminated because of gender, race, religion, ethnicity or other similar factors. The policy of the Nomination Committee is to achieve diversity and equal division of gender also in the Board. The Nomination Committee has applied as policy clause 4.1 of the Swedish Code of Corporate Governance (the "Code"). The proposed Board members comprise of three women and four men (42,8 and 57,1 per cent, respectively). The Nomination Committee finds it important that the Company continue to strive for diversity in the Board and in the Company.
